BAD ACCIDENT

Little Colored Boy Seriously Injured In a Peculiar Manner

Yesterday afternoon a small colored boy by the name of John Breckinridge met with a peculiar and serious accident at the C. and O. Depot.

Breckinridge carries papers for Mr. W. H. Lynch, and as the Accommodation train was coming into the Station the little boy called to the Express Messenger to throw off the papers.

The Messenger threw the bundle before the train stopped, and the lad, seeing the bundle coming towards him, "ducked" his head.

As he did so his face struck the tire on a wheel of the express wagon, splitting a crescent from above his right eye to a point on his cheek, from which the blood flowed freely.

A physician was summoned and the wound was properly attended to.

BARTLEY'S BAD BREAK

Crippled and Injured His Defenseless Wife With a Chair

Constable M. C. Chisholm has a warrant for the arrest of Gabriel R. Bartley, and if all is true that is told about him he should be severely dealt with by the law.

Thursday afternoon he was drinking some, it is alleged, and went home rather early.

He found no one at home save his good wife, whom he immediately began abusing.

Mrs. Bartley said nothing in return, which seemed to enrage the brute that had taken possession of Bartley, and finally, finding his tongue insufficient, he grabbed a chair, and before his defenseless wife could get out of his way he struck her with it, breaking one of her arms and otherwise injuring her.

Constable Chisholm was notified, who immediately went to the scene to arrest Bartley, but he had made good his escape, and up to this time no one has been able to locate him.

EXCITING TIMES

Bees Settle on a Pup, and He Made Things Quite Lively

Yesterday afternoon the neighborhood of Third and Commerce streets was aroused by the loud and continued barking and queer antics of a pup that is the property of one of the residents of that section.

Shortly after the noon hour the pup and the old family cat were lying in the front yard of their home enjoying the cooling breezes and incidentally taking a nap.

All at once the pup jumped up, began barking and howling as loud as he could, running from one place to another, yelping at every jump, closely followed by the cat, who was also making piteous cries.

He was finally caught by a lady, and when examined it was found that several honeybees had gotten on him and began stinging, raising knots as large as walnuts all over his body.

In another yard in the same neighborhood the bees attacked several old hens, stinging one on the head and causing her to cut queer didoes.

It was an exciting time for a few moments to those who were participants.

The bees belonged to Mr. G. A. McCarthy, who has several stands in his back yard in Commerce street.

This fact is well known to Druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obo Wittmer, a prominent Druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all Druggists.

For a man who a few years ago wanted the Governments of the world to form a Peace Congress, His Honor the Czar of Russia doesn't appear anxious to take his own advice.

NEWPORT comes to the front with a new enterprise—a Company to manufacture gold from chemicals. There may be some new way; but the fellow who has to pay for a few prescriptions thinks the old way quite successful.

A TRAVELING salesman returned last Thursday night to a liveryman in Lexington a horse and buggy he had hired just sixteen months before. The liveryman did not recognize the horse and buggy and had forgotten that it was not returned at the time it was hired. His bill was \$485, or more than twice the value of the horse and buggy. —Fleming Gazette.

In that event—the liveryman having forgotten all about the rig—it is presumed the traveling and much traveled man was generous enough to let him keep the outfit for his bill.

HENRY SIENKIEWITZ, author of "Quo Vadis" and other novels, and who is the most noted writer of Poland, has been sentenced by the Governor of Warsaw to detention for an indeterminate period in his residence for signing and publishing papers in protest against the Russification of schools in Poland. He is not allowed to go beyond his own door; but that beats the long journey to Siberia all hollow.

If the peace negotiations at Portsmouth fail the Japanese will have less trouble in "carrying on at the old stand" that their competitors, the Russians.

WHILE you are throwing away \$5 to buy shoes for the heathen that never wear them, why not give 50 cents toward buying an artificial leg for one of your near neighbors, and a most deserving one, too? See list in another column.

THIRTY-THREE printing establishments are pledged to face a strike of 600 members of the Chicago Typographical Union rather than introduce the eight-hour day in shops controlled by the Chicago Typothetae. The members will not lock out their employees or cause the open-shop rule to go into effect until after the convention of the National Typothetae.

It's reasonably certain that one Columbus (O.) "wifey" will be good after this. "I simply laid my wife across my knee and spanked her," was the explanation a prominent physician made to police officers sent to his residence in response to a call from neighbors, who said the Doctor was beating his wife. "I returned from a professional call to find that my wife had been automobile riding with a couple of ball players. I guess she won't do it again."

THE United States Government Building at the Louisiana Purchase Exposition, erected at a cost of \$500,000, has been sold to a wrecking company for \$10,500. The steel trusses in the structure alone cost \$100,000. This is one way in which Uncle Sam's money goes; and yet, when a poor devil of a newspaperman does \$2.25 worth of advertising for one of the Departments, and sends in a bill for \$1.26, including half a dozen copies of the paper, and the account made out in duplicate and sworn to 50 cents worth, he gets a Treasury Warrant for exactly 99 cents in payment of his claim. This is no joke—except on the newspaperman.

The yellow fever situation at New Orleans continues encouraging to the health authorities.

The prospect of a peace agreement at Portsmouth is regarded as gloomy, but not altogether hopeless. The messages received from the Russian Emperor are firm in the rejection of the Sakhalin compromise plan. President Roosevelt is still working hard to secure "a just and lasting peace," and is now in communication with the Japanese Government at Tokio. The Japanese Envoys say the last word has not been spoken, but it is apparent that the Plenipotentiaries themselves no longer control on either side and that the negotiations have passed out of their hands to St. Petersburg and Tokio.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

OFFICE NEW U. S. POST OFFICE BUILDING, Maysville, Ky., August 23, 1905.—Sealed proposals will be received at this building until 2 o'clock p. m. The right to reject any and all bids is reserved by the Treasury Department. DAVID A. MURPHY, Superintendent of Construction and Custodian.

FLY-WORRIED STOCK

Cattle and horses that are obliged to put up a constant fight during the hot weather on account of the swarms of flies, mosquitoes and other insects that keep after them are never in perfect condition. They become practically exhausted with their efforts and are good for nothing else. Cows give less milk and it's of poorer quality; horses lose flesh and are unfit for heavy work. They do the suffering; you lose the profits. Use

Chenoweth's Fly-Killer Oil!

It will relieve the suffering of your stock and put more dollars in your own pocket. This oil does not gum the hair or injure the hide, and insects of all kinds keep away.

DRAGGING

down pains are a symptom of the most serious trouble which can attack a woman, viz: falling of the womb. With this, generally, come irregular, painful, scanty or profuse periods, wasteful, weakening drains, dreadful backache, headache, nervousness, dizziness, irritability, tired feeling, inability to walk, loss of appetite, color and beauty. The cure is

WINE OF CARDUI

THE FEMALE REGULATOR,

that marvelous, curative extract, or natural wine, of herbs, which exerts such a wonderful, strengthening influence on all female organs. Cardui relieves pain, regulates the menses, stops drains and stimulates the womb muscles to pull the womb up into place.

It is a sure and permanent cure for all female complaints.

Correspondence

MOUNT GILEAD.

Mrs. Minnie Jolly is still lingering under serious and undecided complaints.

Mr. Howard Farrow has bought a considerable amount of tobacco and is having it prized.

Elder Gilbert failed to come last Saturday, consequently we had no preaching at Gilead.

Miss Lizzie Clay Stone is preparing to go to Paris pretty soon to attend a ten months school.

Mr. Kinzeas Stone and sister, Lizzie Clay, have gone to the Germantown Fair, expecting to have a glorious time, especially with relatives.

After a tenant had sold his crop of growing tobacco the other day and was about to leave with the check in his pocket, it was amusing to see the boys scampering around until finally they brought him in tow and managed to adjust matters all around, then all went glorious.

The tobacco growers are hustling around cleaning out their barns and patching their roofs, encouraged by the increasing growth of their crops.

The farmers are getting such a low price for their wheat they don't feel like they can be as open-hearted when they come to Maysville as they would like to be.

If the Editors of a certain other paper in the town of Maysville were as particular as THE LEDGER not to divulge matters that are liable to bring one's character into disrepute, we might hear less complaint of their claim that it is their duty to hunt up news and publish it, especially when complaint is made and the question is put, no matter who it hurts, and no answer is made.

Washing pots and kettles—an unattractive task at best! And doubly so when attempted with sticky, strong smelling yellow soap. There's a way to escape this drudgery. Use EASY TASK, the naphtha and borax soap that cuts grease and dirt like magic, and makes the cleaning of kitchen utensils a comparative pleasure. 5c at all grocers'.

GONE FOR GOOD.

No Reason For Any Maysville Sufferer to Fear the Return of It.

How often the pain returns to the aching back when you think you are well rid of it. No fear of such a return after using Doan's Kidney Pills. They make bad backs well and weak backs strong and keep them so. The testimony of Maysville people proves this claim a fact. You can readily ratify such fact by the following:

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
